Correction	disconnect 12V battery. Remove and replace multi fuse & update fuse cover. Re-connect 12V battery. Set clock radio station. Manual heater control unit. Scan for codes 2 codes for weight class defect and OCS defect. Cleared codes but they return right away. Will require further diagnosis. PLEASE NOTE SAFETY ISSUES FOUND!!!! While codes are present passenger side airbag system will not work. Also noted aftermarket floor mat installed on drivers side which may impede accelerator pedal travel recovery.

We would like to thank you for your business. If today's visit included a vehicle Maintenance Service we have made your next Service Appointment for 6 months/600kms. from now. Should you need service sooner, please contact us at 403 247 2411 to re-schedule.

At Northland Kia our goal is to make sure you can rate your service experience a perfect 10! If, for any reason, you feel that we did not achieve our goal, please contact our Service Manager Shane Stamp at 403 202 3445 so that we can address your concern.

Did we remove your wheels as part of today's service? If so, please come back in 100kms., so we can perform a complimentary wheel torque for your safety.

All pre-paid parts not picked up within 60 days of customer notification will become the property of Northland Kia, and all deposits made will be forfeited.
