For all consumer-installed, over-the-counter sales, warranty begins on date of retail sale.

#### OTHER TERMS

GM sells other engines and transmissions in various states of completion. This warranty covers only those engines and transmissions that are marketed by GM as GM Genuine Parts or Chevrolet Performance parts. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. General Motors does not authorize any person to create for it any other obligations or liability in connection with these assemblies.

**ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLICABLE TO ASSEMBLIES OR PARTS IS LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY. THE PERFORMANCE OF REPAIRS OR REPLACEMENT IS THE EXCLUSIVE REMEDY UNDER THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY. GM SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM BREACH OF THIS WRITTEN WARRANTY OR ANY IMPLIED WARRANTY.**

Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages; therefore, the above limitation or exclusions may not apply to you.

#### SERVICE CHECKS

Transmissions: It is important for you or a service technician to check the transmission/transaxle fluid level at regular intervals.

Engines: It is important for you or a service technician to perform these underhood checks at each fuel fill:

Check engine oil level and add if necessary

- Check engine coolant level in coolant reservoir and add if necessary
- Check belts and hoses for visible wear and replace if necessary

The parts listed in this catalog are intended primarily for use in racing, track applications, or "off-road" vehicles—they are not intended for use on public roads. U.S. federal law prohibits an automobile manufacturer or dealer from removing, modifying, or rendering inoperative any part installed in compliance with an applicable Federal Motor Vehicle Safety Standard on a motor vehicle used on public roads.

Many parts intended for use on private property, including racing on a track, are not designed or tested for crashworthiness or to meet safety standards applicable to public-road use, and may adversely affect the original intended performance or handling characteristics of the vehicle. These parts are designed and intended to be used with experts supervising their installation and use, to help assure the proper and safe operation of the vehicle.

Vehicles equipped with Chevrolet Performance parts also may not meet U.S. federal, state, or local emissions laws, regulations, or ordinances, and may not be operated on public roads, streets, or highways or for non-competition purposes. Further, the federal government and many states and provinces have enacted laws with various penalties for tampering with or otherwise modifying any required emissions or noise-control system. Chevrolet Performance customers are responsible for ensuring their use of Chevrolet Performance parts complies with applicable federal, state, and local laws, regulations, and ordinances. For additional information on compliance with emissions laws, please see Page 1 or [www.chevroletperformance.com/emissions](http://www.chevroletperformance.com/emissions).
